- 4/13 Planning Application NP/DDD/1112/1132 – Meadowbrook, Netherhurst, Outseats: Erection of stone stables with residential loft above in place of existing tin stable block
After perusing the plans, it was decided to adjourn the meeting as it was felt a site visit was necessary. The meeting was reconvened on Thursday, 10th January, 2013 on site at 9.30 am. It was decided to respond to the Peak District National Park Authority as follows:

Members of Outseats Parish Council have visited the site and would like to support the application. It is felt that the proposed erection of a stone stable block incorporating a residential loft with the demolition of the existing stable block will enhance a very attractive hamlet. Our only concern is that this should not become a dwelling house in the future.

The meeting closed at 9.50am.
