065/19		Confirmation of previous minutes of 26 th February 2020 and any matters arising – the minutes were reviewed, approved and signed by the Chair. Following discussions at the February meeting about changes to the PDNP pre-application planning advice service it was confirmed that, from 14 February 2020, some reductions in service had been introduced for a six month period, a temporary measure due to resource issues. Advice from Planning Officers in relation to all categories other than Grade 1 and Grade 2 listed properties, and major developments, is suspended.

	.4	NP/DDD/0120/0087 39 The Crofts (<i>this item had not been on the agenda</i>) - erection of a standard construction portable summer house for use as a treatment space. Cllrs welcomed the proposal to instruct customers to use public parking in the village. There were no objections.
070/19		To note Planning Application decisions received and notifications of appeals and outcomes of appeals.
	.1	The Assistant Clerk reported that a Planning Decision notice had been received for NP/DDD/0919/0950 Moorland Road – permission had been refused on the basis that the development was excessive in scale.
	.2	A letter from PDNP had been received in relation to NP/DDD/1119/1198 Toll Bar Cottage; an application for a Lawful Development Certificate for an existing use. The letter was sent purely by way of notification and it was noted that a formal consultation would only be pursued if the case officer considered that the Council had any relevant factual information that could assist in the determination of the application.
071/19		Clerk's Report/Correspondence – none.
072/19		To identify items for the next meeting agenda:
	.1	Further discussion of possible sites in the village for the development by Peak National Park of affordable housing; it was noted that Cllrs need to review where the original development sites had been proposed.
