- 230/20 Apologies for absence: Chris Cave
- 231/20 To decide any variation in the order of business - none
- 232/20 Declaration of Members Interests - none
- 233/20 Public Participation - none
- 234/20 Approval of arrangements for provision of a new boiler at the swimming pool:  
Cllrs were asked to confirm agreement and approval of all arrangements made to urgently replace the boilers at the pool. Minutes of the SPC meeting of 20 April had been circulated. Cllrs noted that as the old boilers had been declared unfit, and shut down, the water in the pool had cooled. Pool users had been advised and some had opted not to purchase sessions; without replacing the boilers quickly there was a likelihood of a significant loss of revenue. Quotes had been called for but only one had been provided. Had the Parish Council not proceeded and engaged this contractor, the pool was likely to lose revenue and there may have been a significant wait to undertake and complete the necessary work. Cllrs noted how quickly and efficiently the work had been undertaken with completion of the boiler installation earlier that day. Noted the final costs were just under £12K (inc VAT). Cllr B Hanley noted that SPC had a lengthy and detailed discussion before agreeing the purchase and installation of the boiler. Cllrs **agreed** with the decisions taken, the process and **approved** the expenditure. Noted an investigation was being undertaken on whether the old boilers had been in warranty.
- 235/20 Next scheduled meeting: Tuesday 4<sup>th</sup> May 2021.  
Meeting ended 7.40pm
